

COVID Safety Guidelines

Welcome back to Boo Chic Beauty! We have missed you so much and can't wait to see you back in the salon! The salon has had a deep clean during lockdown and we have all of the necessary guidelines in place to keep both you, and our team, safe during your visit. Please read through the points below to ensure you are prepared and ready for your next beauty treatment.

SANITISERS - There will be hand sanitisers available as you enter the salon and at each treatment station. Please use on arrival and as you feel necessary throughout your visit.

FACE COVERING - The Boo Chic team will all be wearing a face covering for your, and their safety, until instructed otherwise via government guidelines. We ask that all of our clients wear a face covering when entering our salon, unless medically exempt from doing so. You may be asked to remove your face covering at the treatment station, only if your chosen treatment requires you do so.

SOCIAL DISTANCING - Our Boo Chic team will be practising social distancing guidelines wherever possible. Please follow all guidelines shown within the salon and respect the safety of others whilst in the waiting area, treatment areas or waiting outside the salon.

To ensure social distancing can be followed in the waiting areas and treatment areas, we ask that you arrive for your appointment on time, but do not enter the salon more than 5 minutes ahead of your allotted appointment time.

Thank you very much for your cooperation. We look forward to seeing you again.

The Boo Chic Team
